## Get Certified in Adult CPR and AED with the American Red Cross!

The American Red Cross of Northern NJ in partnership with the East Hanover Office of Emergency Management and East Hanover Recreation Department will be holding Adult CPR/AED classes at the East Hanover Recreation Center one Friday per month for a fee of \$70 per person. Students who successfully complete this course will receive certificates in CPR/AED—Adult which are valid for 2 years.

Getting certified in Adult CPR/AED will help participants recognize and respond appropriately to cardiac and breathing emergencies. This course teaches the skills that participants need to know to give immediate care to an injured or ill adult until more advanced medical personnel arrive and take over.

Here is a list of our upcoming classes in 2012.

**January 20th 7:00PM-9:30PM**  
**February 10th 7:00PM-9:30PM**
