Hello:

This is East Hanover Mayor Joe Pannullo with a special announcement. This is our Friday update.

Please be advised the East Hanover Health Department has informed us that since the beginning of the coronavirus outbreak, East Hanover has had 106 confirmed cases. Of the 106 cases, 69 cases are closed meaning that all appropriate protocols were taken; the isolation period is over and completed according to the NJ State Department of Health guidelines. There are still 29 open cases and 6 of the 29 are hospitalized. The remaining 23 cases remain home quarantined. Sadly, we report that there have been 8 fatalities in East Hanover due to the coronavirus.

We ask that you pray for those who have the virus and to pray for those families that have lost their loved ones. It is very important more than ever to practice safe social distancing.

Individuals with mild symptoms should stay home if they are sick and follow the guidance of their health care provider.

We ask that you patronize our local businesses by using technology to make your purchases on line, as well as patronize our restaurants by using their takeout and delivery services.

I would like to also thank all of our first responders; they are all doing a great job.

As you can see, the numbers are still increasing; so please, if at all possible, stay at home. If you must go out, please wear a mask and practice safe social distancing. This is the most critical period of this virus. Please be smart and safe. The life you may save may be your own or your family or friends.
