Hello:

This is East Hanover Mayor Joe Pannullo with a special announcement. This is our Tuesday update.

Please be advised the East Hanover Health Department has informed us that since the beginning of the coronavirus outbreak, East Hanover has had 131 confirmed cases. Of the 131 cases, 109 cases are closed meaning that all appropriate protocols were taken; the isolation period is over and completed according to the NJ State Department of Health guidelines. There are still 9 open cases and 2 of the 9 are hospitalized. The remaining 7 cases remain home quarantined. Sadly, we report that there have been 13 fatalities in East Hanover due to the coronavirus.

We ask that you pray for those who have the virus and to pray for those families that have lost their loved ones.

We ask that you patronize our local businesses by using technology to make your purchases on line as well as patronize our restaurants by using their takeout and delivery services.

I would also like to thank all of our first responders; they are all doing a great job.

As I reported the numbers today recognize this is the first time since the virus started our numbers have not increased. However let's not let our guard down we must still practice safe social distancing. It's the law.

At this point I feel it is ok to send out the call from now on once a week as our numbers have stabilized. Please remain vigilant and keep safe.
