Hello:

This is East Hanover Mayor Joe Pannullo with a special announcement.

Please be advised the East Hanover Health Department has informed us there have been no new Covid-19 cases since last week. Only 2 previous cases remain home quarantined.

We ask that you pray for those who have the virus and to pray for those families that have lost their loved ones.

We thank you for continuing to patronize our local businesses.

I would also like to thank all our first responders; they are all doing a great job.

Everyone must be extra careful and be mindful the more you socialize the more you put yourselves at risk. I cannot emphasize as we all socialize more, the potential risk of spreading the virus may increase. It is more important than ever to continue to practice safe social distancing and we strongly suggest the wearing of a mask. At least by wearing a mask you are not only helpful to yourself, but you are being respectful to others. East Hanover is a caring community.
